- **Instructor score:** A significant portion of the 50 instructor points will be based on your classroom attendance and engaged participation, recorded through your iClicker (REEF) polling responses throughout each class period. **Correct clicker responses will receive 100%, incorrect clicker responses will receive 60%, while no clicker response will receive 0%.**
  - Submitting polling responses for a fellow student, as well as submitting polling responses while outside of the classroom, is considered cheating in this course and a violation of the academic honesty policy of the University. **Anyone found submitting polling responses for another student during lecture or having polling responses in a class that you did not attend will lose ALL their polling points for the entire semester.** Repeat offenders may receive an E for the course and face additional disciplinary action. Consider this is your ONE AND ONLY warning!!!
- Cell phones/tablets/etc. should be used ONLY for responding to polling questions upon entering class. Texting/browsing/etc. is a distraction, both for yourself and your neighbors.
- ALWAYS access the WebAssign online homework website through Canvas using either Chrome or Firefox browser!!!
- Attendance requirements for ALL class meetings are outlined on the common course webpage (<http://www.ms.uky.edu/~ma110/s.18/>).
