Instructor: Prof. Chris Manon
email: Christopher.Manon@uky.edu
Office: 959 Patterson Office Tower
Office Hours: T 1:00-2:00

Course website

Course info: MWF 12:00-12:50, 337 Whitehall Classroom Building.
Text: *Linear Algebra and Its Applications*, 4th ed., David C. Lay

Test dates (estimate): Test 1: Friday, February 23, Test 2: Friday, April 6.
Final exam: M, April 30, 8:00am, 337 Whitehall Classroom Building.

Homework: There will be both written and online homework for this class.

Written homework will be due at the beginning of class each **Wednesday**. Assignments will be posted on the course website.

You are encouraged to discuss assignments with other students, but your solutions must be written up independently. Copying a written solution from another student and submitting it as your own will be considered cheating. Please see the UK office of Academic Ombud Services website for information about plagiarism.

Online homework can also be found here and on the course website. Due dates will be posted with individual assignments.

Quizzes: There will be a weekly quiz.

Grading policy: Your grade will be made up of the following components:

- Quizzes - 10%
- (Written & Online) Homework - 20%
- 2 Midterm exams - 20% each
- Final exam - 30%

Academic Integrity: Cheating is an extremely serious offense. As a minimum response, I will give a zero to the offender. No cellphones, computers or calculators allowed during exams. By University policy the use of such constitutes cheating. Laptops and/or cellphones are not allowed to be used at anytime in the classroom.

Disabilities: Students with disabilities who require reasonable accommodations to participate in this class are asked to see me as soon as possible. In particular, any accommodations for exams must be arranged a week in advance and will require a letter from the DRC.
