Lecture Time and Location:

Sections 001-006 meet **M-W-F** from **9:00-9:50 am** in **CP 139** (Chem-Phys Building) and have recitation meetings on Tuesdays and Thursdays. See the Canvas course or your class schedule for specific times.

Homework: Homework problems are contained in the booklet **Exercises in Algebra and Trigonometry for Calculus**, a download in Canvas. You are responsible for all the material covered in this booklet. Additionally, graded homework will be completed online through **WebWork**. You may access WebWork through the Canvas course. The first homework is due on the evening of **Monday, August 27th**.

iClicker REEF Polling: Your classroom attendance and participation will be graded through the use of REEF Polling. You will need to create a REEF Student account and purchase a subscription. A subscription can be purchased directly through REEF or by buying an access code from one of the university bookstores. If you are using REEF Polling in another class this term, you only need one subscription. You can access our REEF course by using the REEF Polling link on the Modules tab of our Canvas course page.

Course Help: Additional help is available in the Mathskeller (CB 063) Monday through Friday, 9am-5pm.
