Participation: We will take attendance regularly during lecture with sign-up sheets. Each student will be allowed two unexcused absences.

Recitation: The goal for the recitation is to provide the opportunity for students to gain a deeper understanding of Calculus. It is held by our TA. Check your section number to find the correct recitation that you need to attend.

Policies: Students who miss lecture and would like to request an excused absence should speak with me within one week of the absence. Students who miss an assignment for illness or other reason and wish to be excused from the assignment should speak with me to discuss their situation. The use of cell phones, pagers, laptops, tablets, iPods, and other similar electronic devices is prohibited during class. Math is a difficult subject that will require your full attention.
