at least two weeks prior to the exam date.

Lecture Attendance: Attendance will be taken randomly throughout the semester.
Up to two unexcused absences are allowed with no penalty.
Thereafter 1 point is deducted for each unexcused absence.

- Absences: Faculty Senate Rule 5.2.4.2 defines acceptable reasons for excused absences to be: (a) serious illness, (b) illness or death of family member, (c) University-related trips, (d) major religious holidays, and (e) other circumstances found to fit “reasonable cause for nonattendance” by the professor. As required by University rules, you must present full documentation in order to request makeup work for a valid absence. Senate Rule 5.2.4.2 states that faculty have the right to request “appropriate verification” when students claim an excused absence because of illness or death in the family. Appropriate notification of absences due to University-related trips or a major religious holiday is required no later than 7 days prior to the absence.
- Cheating: Don’t do it. It is an extremely serious offense. As a minimum response, I will give a zero to the offender.
- Devices: No digital devices of any kind (cellphones, computers, calculators, etc) are allowed during quizzes and exams. By University policy the use of such constitutes cheating.
- Laptops and/or cellphones are not allowed to be used at anytime in the classroom without the instructor’s prior consent.
- Plagiarism: Plagiarism includes copying from outside sources, including internet sources. If charged, at minimum you will receive a zero. Maximum penalties include being suspended, dismissed or expelled from the University. For further information, consult the Faculty Senate rules.
- Classroom Decorum: Code of Student Conduct (AR 4.10), Section V, Letter J, Instructional Setting Behavior:
- “Students who engage in conduct that results in disruption of an instructional setting may be directed by the instructor to leave the class for the remainder of the instructional setting period.”*
- Examples include but are not limited to reading email during class, texting, taking phone calls, updating your facebook page, using a fidget spinner, reading the newspaper, interrupting classmates and speaking aloud without being called upon. An attitude of respect for and civility towards other students in the class and the instructor is expected at all times. If what you are doing would be inappropriate behavior on a job interview, then it is very likely inappropriate behavior in the classroom.

The instructor reserves the right to modify this syllabus at any time.
