

MA 113 Recitation Syllabus

Instructor: Doug Anewalt

Office: POT 702

Office Hours: T, TH 5:00 – 6:00

TH 11:00-12:00 *in MathSkeller*

If you can not attend the scheduled office hours, an appointment will be made that works for you.

Email: douganewalt@uky.edu

This syllabus is in addition to the course syllabus you already received from Dr. Harris.

Overview: I will spend ample time each day covering previously learned material and answering your questions. Time will also be devoted to answering questions concerning the homework, but I will NOT BE doing your homework.

There will be a weekly practice quiz to gauge your readiness for exams.

There will be a weekly written homework assignment in addition to the web homework.

Expectations: Come prepared. Work on your homework assignments BEFORE attending recitation. That way you will know what questions to ask and what you are having trouble with.

Attendance: Attendance will be taken daily. Attendance involves active participation in class, not merely showing up. Your attendance at this recitation will be calculated into your attendance grade for MA 113. In addition, if you are enrolled in 194, you CAN MISS ONLY 2 recitations unexcused. IF YOU MISS THREE YOU FAIL. It is the student's responsibility to inform the instructor of any excused absence beforehand. Excessive tardiness will be counted as an absence.

Ask for help: This recitation is designed to answer your questions and clear up confusing material. PLEASE LET ME KNOW if you are having any difficulty. Math builds upon itself. If you are having trouble with one section, chances are you will have trouble with the next one as well. ASK EARLY, and I will do all I can to clear things up.

Additional help:

The Study - <http://www.uky.edu/UGS/study/> (peer tutoring)

MathSkeller – located in Classroom Building Basement

Behavior: Disruptive or uncooperative behavior will not be tolerated. Respect your peers.
