

Recitation Syllabus
Calculus III, MA 213, Spring 2019
Section 008 – T/R 3:00pm - 3:50pm in CB 339

Contact Information:

Teaching Assistant: Angela Hanson
Office: Patterson Office Tower 906
E-mail: angela.hanson@uky.edu
Website: <https://math.as.uky.edu/users/aha397>

Office Hours:

T/R 1:30pm - 2:30pm (POT 906)
F 10:00am - 11:00am (Mathskeller)
Additional office hours are available
by appointment

Attendance:

Attendance is required at all class meetings. A student will be counted absent if they are more than 10 minutes late to class without a valid excuse. To be excused, you must email me or see me after class, explain the reason for the absence, and provide appropriate documentation. Please refer to §5.2.4.2 of the Student Code of Conduct for what constitutes an excused absence: (<http://www.uky.edu/StudentAffairs/Code/part2.html>).

In this recitation, attendance will also be regarded as participatory, not passive. As such, I expect students, in addition to showing up, to participate in group discussions and to be prepared to present their work to the class. Failure to participate, such as working on homework for other courses, excessive chit-chat, or similar activities, may result in being marked absent.

Communication:

Asking questions and communicating with your instructor are key to succeeding in any class. You can reach me best via email or by coming to my office hours. I will also be emailing you, the class, with updates and important announcements as necessary, so be sure to check your UK email regularly.

Integrity:

Everyone is expected to behave honestly and fairly. This is of the utmost importance, not only in this class but also in everyday life, because lying and cheating hurt more than just the individual. They also affect your community. Your behavior reflects on those around you and can disadvantage your peers. Therefore, misuse of resources, copying, or any other form of cheating will not be tolerated.

Recitation Grading: The recitation grade will be 40 points for attendance, participation in the recitations, and weekly quizzes.

Important Dates:

Exam 1	Wed 2/6, 5-7pm	CB 118
Exam 2	Wed 3/6, 5-7pm	CB 118
Exam 3	Wed 4/10, 5-7pm	CB 118
Final Exam	Wed 5/1, 6-8pm	BS 107

Note: On days following exams, there will be no recitation, and my office hours will be cancelled due to grading.

I reserve the right to alter this syllabus as necessary with proper notification.
