

Professor Ehrenborg
Math 398
Fall 2011

Independent Study — Combinatorics

Instructor:

Professor Richard Ehrenborg
Office: Patterson Office Tower 835
Phone: 7-4090
e-mail: jrge@ms.uky.edu

Requirements:

The student should sit in the graduate course MA 515, take notes and participate in class discussions.

Work to be completed:

Homework assignments given in class. Furthermore, a copy of the class notes should be handed in at the end of the semester.

Absences:

Unexcused absences from class lectures will have a negative effect on the course grade.
