Text: Partial Differential Equations Second Edition, by Lawrence C. Evans

Grading: There will be a final exam worth 30%, one midterm worth 30% each, and a Homework grade worth 40%. There will be a weekly homework collected at the start of the class every Friday. To compute the Homework grade I will drop the lowest grades on your homework sets. Due to this policy no late homework will be accepted and no make-up homework will be given.

Test Dates:

Midterm: October 20. In class.

Final Exam: TBA

Course Policy on Academic Accommodations due to disability:

If you have a documented disability that requires academic accommodations, please see me as soon as possible during scheduled office hours. In order to receive accommodations in this course, you must provide me with a Letter of Accommodation from the Disability Resource Center. Check the site: <http://www.uky.edu/StudentAffairs/DisabilityResourceCenter> for further information.

Course Policy on Academic integrity:

Students may work together on homework, but should not submit solutions until they understand how to obtain the answer. All other course work on exams must be the student's own work. Useful information about students' rights and responsibilities can be

found at the following website: <http://www.uky.edu/Ombud> . You are advised to consult it as needed.
