Course info: MWF 11:00-11:50, 337 Whitehall Classroom Building.
Office Hours: Thursday 11-11:50 or by appointment.

Text: There is no *required* text for this course, but we will largely follow Allen Hatcher's *Algebraic Topology*.

Homework:

Written homework will be due at the beginning of class each **Friday**. Assignments will be posted on the course website. You are **strongly** encouraged to discuss assignments with other students, but your solutions must be written up independently. Copying a written solution from another student and submitting it as your own will be considered cheating. Please see the UK office of Academic Ombud Services website (www.uky.edu/Ombud) for information about plagiarism.

Exams: There will be no exams in this course.

Grading policy: The breakup will be: Homework - 100%.

Disabilities: Students with disabilities who require reasonable accommodations to participate in this class are asked to see me as soon as possible. In particular, any accommodations for exams must be arranged a week in advance and will require a letter from the DRC.

The instructor reserves the right to modify this syllabus at any time.
