Establish a checking account (if you don’t already have a checking account at a U.S. bank or if you plan to change banks). Direct deposit of your payroll is required for all U.K. employees. You will need to know your routing and account numbers so you can complete the online direct deposit information as soon as you are in the UK Payroll system.

Additional Fees. The Student Health fee (currently $160.00 per semester) and the Johnson Center recreation fee (currently $80.00) are mandatory for all full-time students. These fees are not covered by your tuition scholarship.

Should you choose to take a non-math class which has a course or program fee, you will be required to pay that fee. An online course will require a $10 per credit hour fee to be paid. International Students may have additional fees. The tuition scholarship does not cover courses taken with an audit (AU) or as a pass/fail grade type.

Health Plan coverage begins August 15, 2022. [https://gradschool.uky.edu/health-plan](https://gradschool.uky.edu/health-plan)

Parking Information. As a TA you qualify for the E Employee parking permit for your vehicle. Transportation Services should receive your assignment in their system mid August. To help you get around campus until your assignment shows in the system, you may get a temporary or single day permit. Pick up the permit at the main transportation office, located at 721 Press Avenue (check their website for hours). The annual cost of an employee parking pass is $504.
