Establish a checking account (if you don’t already have a checking account at a U.S. bank or if you plan to change banks). Direct deposit of your payroll is required for all U.K. employees. You will need to know your routing and account numbers so you can complete the online direct deposit information as soon as you are in the UK Payroll system.

Parking Information. As a TA you qualify for the E Employee parking permit for your vehicle. Transportation Services should receive your assignment in their system mid-late August. To help you get around campus until your assignment shows in the system, you may get a temporary or single day permit. Pick up the permit at the main transportation office, located at 721 Press Avenue (check their website for hours).

You may also choose to walk, ride the bus, or bike! Check out the website for options.

Sign your TA contract (GSAS). You will receive an email from “Batch User” sometime in mid to late July. This is not spam or a phishing scam - it is legitimate. You will need to open the email and follow the directions in order for your tuition scholarship to be posted in the Graduate School's database. Below is a sample of the email you will receive:

By accepting this scholarship you agree that you will not seek additional employment, on or off campus, without prior consultation with your Director of Graduate Studies, and approval from the Graduate School.

If you have questions about the terms of the contract please contact your program's Director of Graduate Studies, the hiring department or GSAS@email.uky.edu.

Please do not reply to this email, as this is an auto-generated message and not a monitored account. Instead, use one of the contacts listed above, and we will be glad to assist you.

UK Wildcard Student ID Card. You may obtain your UK Student ID card in the Student Center, room A380. The cost is $17.00.

Additional Fees. The Student Health fee (currently $160.00 per semester) and the Johnson Center recreation fee (currently $80.00) are mandatory for all full-time students. These fees are not covered by your tuition scholarship.

Should you choose to take a non-math class which has a course or program fee, you will be required to pay that fee. International Students may have additional fees.

Tuition Bills. Your tuition and fees bill will be emailed to you after you register for classes. It is possible/likely for you to be charged for tuition even though you will be receiving a tuition scholarship. Don’t panic! There can be a lag between your registration and the posting of your scholarship. If you receive a second notice, see Rejeana Cassady for assistance in resolving this matter.
