Dissertation:

You have up to 60 days following the date of your defense OR by the end of the semester in which you plan to graduate (whichever comes first) to submit your dissertation to the Graduate School via UKnowledge. Check <http://gradschool.uky.edu/calendar> for semester deadlines. Within 2-3 days of submission, the Graduate School will review your dissertation and check the format to ensure that it meets all requirements. Note, the last few weeks of the semester are peak periods for dissertation submission, so it is best to submit your dissertation as soon as possible so that the final version can be accepted by the semester deadline. Dissertations must be prepared in conformity with the instructions published by the Graduate School. Specific formatting instructions and sample pages can be found at <http://gradschool.uky.edu/thesis-dissertation-preparation>.
