

# MA 138 - Calculus II with Life Science Applications

University of Kentucky Department of Mathematics

Spring 2020

Section 002, TR 11:00am-11:50am in CB 339

## Contact Information:

Teaching Assistant: Sara Janus

Office: Patterson Office Tower 718

E-mail: [sara.janus@uky.edu](mailto:sara.janus@uky.edu)

## Office Hours:

M/T 9:00am - 9:50am (POT 718)

R 9:00am - 9:50am (Mathskeller)

or by appointment

This covers policies pertaining exclusively to recitation. If you have any questions about the course in general, please refer to the main course website <http://www.ms.uky.edu/~ma138/>.

## Attendance:

Students who miss recitation due to illness, family emergency, or other university excuses should request an excused absence from me via email before planned events or as soon as possible after unplanned events. I must have proper documentation in order for you to be eligible to make up missed work. Also, you must schedule to make up missed work within a week of the excused absence. You are expected to arrive to class on time and stay for the duration of recitation. If you have special circumstances that require you to arrive late or leave early, please let me know.

## Communication:

Asking questions and communicating with your instructor are key to succeeding in any class. You can reach me best via email or by coming to my office hours. I will answer emails Monday-Friday between 8am and 5pm, and will always try to respond within 24 hours. I will also be emailing you, the class, with updates and important announcements as necessary, so be sure to check your UK email regularly.

## Integrity:

Everyone is expected to behave honestly and fairly. This is of the utmost importance, not only in this class but also in everyday life, because lying and cheating hurt more than just the individual. They also affect your community. Your behavior reflects on those around you and can disadvantage your peers. Therefore, misuse of resources, copying, or any other form of cheating will not be tolerated.

## Academic Accommodations:

If you have a documented disability that requires academic accommodations, please notify me as soon as possible. In order to receive accommodations in this course, you must provide me with a Letter of Accommodation from the Disability Resource Center (Room 2, Alumni Gym, 257-2754, email address [jkarnes@eamil.uky.edu](mailto:jkarnes@eamil.uky.edu)) for coordination of campus disability services available to students with disabilities.

## Important Dates:

Exam 1	Tues 2/11, 5-7pm
Exam 2	Tues 3/10, 5-7pm
Exam 3	Tues 4/14, 5-7pm
Final Exam	Tues 5/5, 6-8pm

The goal of this class is for us to work together to grow and learn, which will require patience and persistence. My job as your instructor is to guide you and answer your questions, so please don't hesitate to let me know how I can help you succeed in this class- stop by my office hours anytime, or send me an email. Please ask or check the course website if you have any other questions. Let's have a great semester!

**I reserve the right to alter this syllabus as necessary with proper notification.**
